Please find below a communication from the EXAMINER in charge of this application

Commissioner of Patents

- 1 The amendment filed 9/13/00 as paper no 14, is not fully responsive to the communication mailed 4/26/00 for the reason(s) set forth below:

The Amendment filed 9/13/00 as paper no 14 contains alterations made without brackets or inserts. See, for example, claim 1 which has been amended to recite "targeted chimeric toxins comprising" and the claim previously recited "targeted fused chimeric toxins". In addition, claims 3 and 4 have been amended to recite "10" rather than the term "ten" without brackets or underlining. Applicant's attention is directed to 37 C.F.R. 1.121, Manner of Making Amendments.

It is required that applicant proofread and carefully review the amendment filed 9/13/00, taking into account the claims as they are currently written and make appropriate changes as required, with a new amendment.

2. Since the above-mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH** or **THIRTY (30) DAYS**, from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME LIMIT MAY BE GRANTED UNDER 37 CFR 1.136(a).

3. Any inquiry concerning this communication should be directed to Examiner Larry R. Helms, Ph.D., Art Unit 1642, whose telephone number is (703)306-5879. Any inquiry of a general nature or relating to the status of this application should be directed to the Group receptionist whose telephone number is (703) 308-0196.
